SUBJECT: City Crews Close Portion of 88th Avenue West Due To Water

BY: Phil Jents, Communications and Policy Officer

City Crews Close Portion of 88th Avenue West Due To Water

[Duluth, MN] As a precaution, and to minimize traffic in the area, City crews have closed a portion of 88th Avenue West near Grand Avenue in the Morgan Park neighborhood due to water from the nearby creek.

This partial closure does not impact access to any homes in the neighborhood, and we encourage the public to utilize the Idaho Street entrance to Morgan Park.

The City will be closely monitoring the area and crews will be on scene to attempt to clear the area of water and reopen the road as soon as possible.

We are not aware of any other closures at this time.

If you notice any large areas of standing water, please notify Public Works at 218-730-4130.
